## MainStreamers Bible Study

*"Lazarus, Come Out!"* The story of Lazarus represents the last miraculous sign in Jesus' ministry, one which tells us both who Jesus is and what God is like. A compelling drama full of profound wisdom, this complex, layered, and touching narrative about human grief and divine hope begs to be examined on many levels. This Tuesday, June 30, in our summer Bible study at MainStreamers, Greg Funderburk will conclude this two-part series. Games will start at 9:00 AM, then lunch will be served at 11:30 AM followed by our study.

## Food Pantry Sunday, July 5

On the first Sunday of each month, we gather the items most needed in our community and deliver them to the Emergency Aid Coalition for distribution. Nonperishable goods—such as canned fruit and vegetables, peanut butter, canned meat, canned soup, and water—are always in high demand. If you prefer, you may use the link found at **smbc.org/events** to see what items are most needed at this time and order from Amazon.

## June Family Ministry Trips

During the month of June, the Family Ministry exercises our muscles of independence, compassion, righteousness, kindness, and fun as we explore and serve in the culturally rich and economically poor communities of Watonga, Oklahoma; Columbia, South Carolina; and Collique, Peru. Please pray for safety, health, and growth for each person as they process the challenges these communities face, while practicing asset-based community development through physical service and thoughtful learning experiences.

From June 27 – July 4, our rising senior class will experience their Youth Capstone Trip. Youth will have the opportunity to worship, labor, teach, and learn from the community of Collique and the wonderful staff of Operación San Andrés. Our youth will prepare Bible story lessons and crafts, so the children will have a tangible reminder of God's love for them. They will also support the ongoing mission of OSA by refurbishing the location set up for medical mission trips and working with the OSA soup kitchens throughout Collique. Pray for our work as we experience and contribute to the joy in a vibrant and loving community, and pray for our youth that they may know their worth and discern how they may approach what is to come.
