

Who are we?

Main Kids Play Days is a daycare program dedicated to parents and their preschoolers and is an extension of the Children's Ministry at South Main Baptist Church.

Preschoolers (birth to four years old as of September 1) will enjoy educational, spiritual and physical play in a happy and loving environment. Parents can also use Play Days as a time to "play" by relaxing with a good book, running errands, or shopping at the mall. So Play Days is dedicated to giving parents and preschoolers more healthy "playtime!"

You will need to come with these items in your child's labeled diaper bag or backpack:

Security

The safety of your child is of the utmost importance and therefore, we have instituted the following measures.

Drop Off and Pick Up:

You will receive a numbered security sticker to place on your person and your child will have a sticker with that same number placed on his/her back. A third sticker, if needed, will be placed on your diaper bag for property recognition. When you return to pick up your child, please return your sticker.

If an individual other than the parent is to pick up a child, the Play Days workers must be told in advance. The parent dropping off the child must sign an "alternate pick up" form and the individual picking up the child must show a valid ID.

If your security sticker is lost or damaged, please inform the childcare worker or Minister to Children to verify your relationship to your child.

Caregivers:

We have dedicated and loving Play Days workers with over 100 years of combined experience. They are all trained in first aid and CPR to ensure your child's safety. Every worker must go through a thorough background check, screening process, and training program before working with our children. may stay for several minutes to help your child adjust to the new surroundings.

Health Policies

1) A copy of your child's immunization record should be submitted when your child begins Play Days.

2) It is recommended that your child receive the first round of DPT and polio shots and has approval from your pediatrician before joining the Play Days nursery.

3) If your child has any of the following symptoms, please them at home:

- FEVER (temperature of 100° or greater)
- DIARRHEA
- VOMITING
- EYES - Thick mucus or pus draining from the eye or pink coloring on the whites of the eye
- RASH or open skin lesions or blisters (as in chicken pox, fever blister, or impetigo)
- LICE, SCABIES, RINGWORM

We want to protect your child and all the children in our care. Children must be free of symptoms for at least 24 hours prior to returning to Play Days.

Parents will be notified immediately of any signs of illness.

Weather Emergencies

Play Days observes all weather warnings and emergencies. Please listen to your radio for proper weather instructions. If an emergency occurs during the day, please pick up your child as soon as possible so the Play Days workers may leave to care for their families.
